Rinat Akhmetov Foundation distributes humanitarian assistance to the displaced from Selydove community in Kamianske

The [Rinat Akhmetov Foundation](#) has handed over food packages to those evacuated from the Selydove community to Kamianske. The humanitarian aid packages are distributed at the Selydove UA hub, where the IDPs receiving social services can apply for assistance.

Each package is filled with the most essential items such as pasta, sugar, salt, flour, cereals, sunflower oil, canned beans, stewed meat, pate, and biscuits.

The Foundation has provided 13 million food packages to Ukrainians since 2014. The help is provided as part of the Rinat Akhmetov - Saving Lives programme.
