FUIB increases social and Armed Forces support by 30% in 2025

In 2025, our bank [FUIB](#) increased its social expenditures by more than 31%, reaching over UAH 495 million (\$11 million). This marked a fifth year of sustained support for Ukraine during full-scale war. Since 2022, FUIB's total investment in the

country's recovery and defence has passed UAH 1.4 billion (\$31 million). The bank's work spans defence support, blood donation, accessibility, employee care and education.

How much did FUIB invest in 2025?

In 2025, FUIB's social spending exceeded UAH 495 million (\$11 million), an increase of more than UAH 150 million (\$3.3 million), or over 31% on the previous year. Since 2022, the bank has invested more than UAH 1.4 billion (\$31 million) in Ukraine's recovery and defence.

How does FUIB support the Security and Defence Forces?

Since 2022, FUIB has provided thousands of units of equipment to military units, including communications and power systems, surveillance and control devices, tactical clothing, vehicles, aerial reconnaissance devices, electronic warfare equipment and hospital supplies, through direct procurement of over UAH 540 million (\$12 million). In 2025 alone, the bank provided over UAH 151 million (\$3.4 million) in support. Its running club, [PUMBRUN](#), holds training sessions as fundraisers for mobilised colleagues.

What is FUIB doing to support blood donation?

Through its "[We Are of One Blood](#)" initiative, now with 50 partners, FUIB funds tactical medicine, equipment for paramedics and adaptive clothing for wounded defenders. In 2025 the initiative helped purchase over 2,200 units of tactical medicine and 2,640 items of adaptive clothing. FUIB also runs the "Warm-Blooded" donor project with Mastercard, DonorUA and Blood Agents, whose mobile hub collected over 921 litres of blood in 2025 — enough to potentially help save more than 6,000 lives.

How is FUIB improving accessibility?

FUIB invested over UAH 24 million (\$0.5 million) in [accessible spaces](#) and services in 2025. By the end of the year, all 207 operating branches had accessible

entrances, and standard branches offered a QR code to reach a professional sign language interpreter. The bank also installed voice assistants in ATMs and adapted its mobile applications and website.

How does FUIB support its employees and education?

FUIB provided over UAH 75 million (\$1.7 million) to employees who faced hardship because of the war, and invested UAH 69 million (\$1.5 million) in education. The bank's programmes include scholarships with KSE University and its "Living Towards" platform, which has brought together more than 300,000 veterans and family members.

Serhiy Chernenko, Chairman of the Board of FUIB, said: "We believe that only with quality education can the country have a future, even in the most difficult times."

Together with defenders, veterans, partners and clients, FUIB is helping to bring victory closer and strengthen the country.
